INDEX.

SUBJECTS.

A

Acoustic Impedance Measurement of Post-Stapedectomized Ears. Feldman, A. S. 1132

Adenocarcinoma of the Prostate Presenting As a Frontal Sinus Mucocele. Brownson, R. J. 458

A Histochemical Study of the Course and Distribution of the Efferent Vestibular Fibers to the Maculae of the Saccule and Utricle. Pratt, L. L. 1515

A Historical Survey of Treatments for Nasal Polyposis. Vancil, M. E. 435

Allergic Aspect — The Dizzy Patient. Powers, W. H., and House, W. F. 1330

Allergy, Food, Cytotoxic Reactions in the Diagnosis of Food Allergy. Bryan, W. T. K., and Bryan, M. P. 1453

A Multiple Choice Discrimination Test (MCDT). Schultz, M. C., and Schubert, E. D. 382

Analysis of An Autogenous Vaccine in the Treatment of Juvenile Papillomatosis of the Larynx. Strome, M. 272

Aneurysm of the Vertebral Artery: Medicine in Viet Nam. Deutsch, H. J. 134

A New Technique for Glottic Reconstruction After Partial Laryngectomy. Review of 11 Cases. Quinn, H. J., Jr. 1980

Angiofibroma, Further Experience in Treatment of Juvenile Nasopharyngeal. Henderson, G. P., and Patterson, C. N. 561

Application of Mediastinoscopy to Carcinoma of the Larynx. A Preliminary Report. Tucker, J. A. 118

Artery, Vertebral, Aneurysm of the: Medicine in Viet Nam. Deutsch, H. J. 134

A Review of Cholesteatoma Pathology. Schechter, G. 1907

Aspiration After Partial Laryngectomy: Cineradiographic Studies. Litton, W. B., and Leonard, J. R. 887

Augmentation, Frequency Dependence of Cochlear Microphonic, Produced by Olivo-Cochlear Bundle Stimulation. Kittrell, B. J., and Dalland, J. I. 228

Audiological Problems Associated with Maternal Rubella. Miller, M. H.; Rabinowitz, M.; Frost, J. O., and Seager, G. M. 417

Audio-Visual Aids in the Teaching of Otolaryngology. Alberti, P. W. R. M. 1428

Average Evoked Myogenic Responses in Normal Man. Cody, D. T. R., and Bickford, R. G. ..400

B

Békésy Audiometry, Demonstration of Interrupted Tone Threshold Shift. Miller, J. W., Jr.; Cody, D. T. R., and Griffin, T. 2135

Blood Flow, Cochlear, in Response to Vasodilating Drugs and Some Related Agents. Suga, F., and Snow, J. B., Jr. 1956

Bone Contents, Temporal, Lymphosarcoma Invading the; A Histological Case Report. Sando, I.; Black, F. O.; Randolph, G., and Newell, R. C. 2140

Bone Graft Closure of Large or Persistent Oro-Maxillary Fistula. Proctor, B. 822

Bone, Temporal, Developmental Variations of the, That Influence the Evolution of Chronic Suppurative Otitis Media and Mastoiditis, and the Medical and Surgical Treatment of this Syndrome. Williams, H. L. 827

Bone, Temporal, Histopathology of the, in Advanced Paget's Disease. Lindsay, J. R., and Lehman, R. H. 213

Bone, Perfused Human Temporal; Histologic Study of. Rutledge, L. J. 2104

C

Caloric Stimulation of the Labyrinth; Experimental Observations. Harrington, J. W. 777

Canal, Facial, the Relationship of the, to the Annular Sulcus. Litton, W. B.; Krause, C. J.; Anson, B. A., and Cohen, W. N. ..1584

Cancer of the Nasopharynx. Review of the Literature. Report of 72 Cases. Hara, H. J. 1315

Cancer, Present Concepts in, and Immunologic Responses. Arena, S. 1400

Carcinoma, Maxillary Antrum, the Use of Panoramic Radiography in Detection of Posterior Wall Invasion by. Greenbaum, E. I.; Rappaport, I., and Gunn, W. 256

Carcinoma of the Laryngeal Glottis: a Five-Year Review at a University Hospital. Boles, R., and Komorn, R. 909

Carcinoma of the Larynx, the Incidence of, in Persons Under 20 Years of Age. Jones, D. G., and Gabriel, C. E. 251

Carcinoma of the Supraglottis and Tongue Treated by Supraglottic Laryngectomy and Mandibular Swing. Shumrick, D. A. 1443

Carcinoma Syndrome, Nevoid Basal Cell. Walike, J. W., and Karas, R. P. 478

Carcinoma of the Thyroglossal Duct Remnant. Butler, E. C.; Dickey, J. R.; Shill, O. S., Jr., and Shalak, E. 264

Cartilage Remnant, Meckel's? Zonis, R. D. 2012

Cervical Vertigo. Jongkees, L. B. W. 1473

Cholesteatoma Pathology. A Review of. Schechter, G. 1907

Chronic Fibrosis of the Subglottic Space and Possibly the Paranasal Sinuses and Tympanic Cavities. Diamant, H., and Schiratzki, H. 355

Choristoma of the Pharynx in Newborn. Case Report. Black, F. O.; Kirsch, W. M., and Weaver, M. 2068

Chronic Serous Mastoiditis Idiopathic Hemotympanum and Cholesterol Granuloma of the Mastoid. Sheehy, J. L.; Linthicum, F. H., Jr., and Greenfield, E. C. 1189

Cicatricial Stenosis of Nasopharynx. A Comprehensive Review. Stevenson, E. W. 2035

Cleft, Laryngotracheoesophageal. Report of a Case and Review of the Literature. Imbrie, J. D., and Doyle, P. J. 1252

Cochlea, Membranous, the Effect of Chloramphenicol Upon the Oxygen Consumption of the. Sato, Y. 295

Cochlea of the Guinea Pig, the Effects of Local Anesthetics on the. Ward, P. H., and Honrubia, V. 1605

Cochlea, the Effect of Whole Body Vibration on the. Juahianen, T.; Kohonen, A.; Tarkkanen, J., and Kaimio, M. 1950

Cochlear Blood Flow in Response to Vasodilating Drugs and Some Related Agents. Suga, F., and Snow, J. B., Jr. 1956

Combined Otolaryn-Neurosurgery Approach to Extensive Benign Tumors. Krekorian, E. A., and Kempe, L. G. 2086

Combined Technique of Otoplasty. Feuerstein, S. S. 1118

Congenital Esophageal Stenosis. Bluestone, C. D.; Kerry, R., and Sieber, W. K. 1095

Correction. 2016

Cyst, Sublingual, Branchial Cleft. A Case Report. Robins, B. R. ..288

Cysts and Fistulas, Lateral Cervical. Simpson, R. A. 30

Cytotoxic Reactions in the Diagnosis of Food Allergy. Bryan, W. T. K., and Bryan, M.P. 1453

D

Developmental Variations of the Temporal Bone That Influence the Evolution of Chronic Suppurative Otitis Media and Mastoiditis, and the Medical and Surgical Treatment of this Syndrome. Williams, H. L. 827

Diagnosis of Early Parkinson's Disease. Dolowitz, D. A., and Ord, R. J. 1275

Diagnosis, Errors in Otolaryngologic. Lathrop, F. D. 592

Diagnostic Implications of Vocal Cord Nodules in Children with Cleft Palate. McWilliams, B.; Bluestone, C., and Musgrave, R. 2072

Disease, Parkinson's Diagnosis of Early. Dolowitz, D. A., and Ord, R. J. 1275

Disease. Sickle Cell, Temporal Bone Histopathology in. Morgenstein, K. M., and Manace, E. D. 2172

Disposable Plastic Tracheostomy Tubes. Stool, S. E., and Graff, D. B. 1088

Dissection, Radical. Neck, Pre-Operative Radiation Therapy as an Adjunctive Measure to. Hora, J. F. 1921

Dog. Functional and Histopathological Correlations After Microembolism of the Peripheral Labyrinthine Artery in the Dog. Igarashi, M.; Alford, B. R.; Konishi, S.; Shaver, E. F., and Guilford, F. R. 603

Dogs, Injury and Repair of Recurrent Laryngeal Nerves in. Boles, R., and Fritzell, B. 1405

Dog, Partitioning of Pulmonary Resistance in the. Ohnishi, T., and Ogura, J. H. 1847

Dogs. Vocal Cord Transplantation in. Delahunty, J. E.; Cherry, J., and Brookhouser, P. 2081

Duct, Guinea Pig Cochlear, the Ultrastructure of the External Sulcus in the. Duvall, A. J., III. ..1

Duct Remnant, Carcinoma of the Thyroglossal. Butler, E. C.; Dickey, J. R.; Shill, O. S., Jr., and Shalak, E. 264

Dysphagia and Ossified Stylohyoid Ligament. Report of a Case. Butler, E. C., and Tarsitano, J. J. 499

Dysplasia, Craniometaphyseal, Otolaryngological Disorders in. Kietzer, G., and Paparella, M. M. 921

E

Ear Disease, the Incidence of, in the Navajo Indian. Jaffe, B. F. 2126

Ear, Evolution of the. Taylor, G. D. 638

Ear, Inner, the Developing, the Synthesis of DNA and RNA in. Ruben, R. J. 1546

Ears, Cats' Inner, Fixation *in Vivo* by Preassessed Intralabyrinthine Perfusion in. Kirchner, F. R.; Toledo, P. S., and Holdcraft, J. 857

Ears, Post-Stapedectomized, Acoustic Impedance Measurement of. Feldman, A. S. 1132

Errors in Otolaryngologic Diagnosis. Lathrop, F. D. 592

Elastosis Perforans Serpiginosa and High Arched Palate. Empson, C. L., and Jacobs, D. S. 368

Electron Microscopy of the Developing Hearing Organ. Hilding, D. A. 1691

Episodes, Obstructive, Pierre Robin Syndrome, Pathophysiology of. Fletcher, M.M.; Blum, S. L., and Blanchard, C. L. 547

Epistaxis, Severe, the Anatomical Basis of Transantral Ligation of the Maxillary Artery in. Pearson, B. W.; MacKenzie, R. G., and Goodman, W. S. 969

Esophagus, Perforating Foreign Body of the. Tenta, T. J. 470

Eustachian Tuboplasty. House, W. F.; Glasscock, M. E., and Miles, J. 1765

Evolution of the Ear. Taylor, G. D. 638

Experience with a "Permanent" Wide Flange Middle Ear Ventilation Tube. Per-Lee, J. H. 581

Experiences in Acoustic Tumor Surgery. Maddox, H. E., III. 652

Experiments and Experiences with Sodium Fluoride for Inactivation of the Otosclerotic Lesion. Shambaugh, G. E., Jr., and Sundar, V. S. S. 1754

Experiments on Vestibular Compensation. McCabe, B. F., and Ryu, J. H. 1728

F

Facial Nerve Grafting. Pulec, J. L. 1562

Fate of Autogenous Grafts and Processed Heterogenous Bone in the Mastoid Cavity of Primates. Hohmann, A. 1618

Fibers, Efferent. A Histochemical Study of the Course and Distribution of the, to the Maculae of the Saccule and Utricle. Pratt, L. L. 1515

Fibrosis, Chronic, of the Subglottic Space and Possibly the Paranasal Sinuses and Tympanic Cavities. Diamant, H., and Schiratzki, H. 355

Fistula, Perilymph. Pulec, J. L. ..868

Fistula, Oromaxillary. Bone Graft. Closure of Large or Persistent. Proctor, B. 822

Fixation *In Vivo* by Preassessed Intralabyrinthine Perfusion in Cats' Inner Ears. Kirchner, F. R.; Toledo, P. S., and Holdcraft, J. 859

Flap, Pharyngeal. Superiorly Based. Skolnik, E. M.; Saberman, M. N.; Meyers, R. M., and Ross, J. C. 1396

Flaps, Revascularized Skin. A New Concept in Transfer of Skin Flaps. Schechter, G. L.; Biller, H. F., and Ogura, J. H. 1647

Focal Tissue Necrosis. Hardaway, R. M., III. 1705

Fractures, Mandibular. Use of Acrylic Splints for Immobilization. Danforth, H. B. 288

Fractures. Management of Mid-Facial. Bailey, B. J., and Barton, S. 694

Frequency Dependence of Cochlear Microphonic Augmentation, Produced by Olivo-Cochlear Bundle Stimulation. Kittrell, B. J., and Dallmand, J. I. ..228

Frontal Reconstruction. Principles of. Dickinson, J. T.; Cipcic, J. A., and Kamerer, D. B. 1019

Functional and Histopathological Correlations After Microembolism of the Peripheral Labyrinthine Artery in the Dog. Igarashi, M.; Alford, B. R.; Konishi, S.; Guilford, F. R., and Shaver, E. F. 603

Further Experience in Treatment of Juvenile Nasopharyngeal Angiofibroma. Henderson, G. P., and Patterson, C. N. 561

G

Giant Cell Lesions Involving the Nasal Accessory Sinuses. Friedberg, S. A.; Eisenstein, R., and Wallner, L. J. 763

Glioma, Pontine, Progression of Auditory Signs in. Shapiro, I. ..201

Glottic Reconstruction Following Extended Frontolateral Hemilaryngectomy. Ogura, J. H., and Biller, H. F. 2181

Glottis, Laryngeal, Carcinoma of the: a Five-year Review at a University Hospital. Boles, R., and Komorn, R. 909

Granuloma, Non-Healing. A Diagnostic Problem. Bryce, D. P., and Crysdale, W. S. 794

Granuloma of the Temporal Bone, Solitary Eosinophilic. Martin, T. H. 2165

H

Hearing Organ. Electron Microscopy of the. Hilding, D. A. ..1691

Hearing Loss, the Medical Management of Fluctuant. Shea, J. J., Jr., and Konishi, S. 714

Healing, Wound. Schiff, M. 1419

Hemilaryngectomy, Glottic Reconstruction Following Extended Frontolarteral. Ogura, J. H., and Biller, H. F. 2181

Histocytosis X, Otologic Manifestations of. Hudson, W. R., and Kenan, P. D. 678

Histologic Study of Perfused Human Temporal Bone. Rutledge, L. J. 2104

Histopathology of the Temporal Bone in Advanced Paget's Disease. Lindsay, J. R., and Lehman, R. H. 213

Hodgkin's Disease of the Tongue. Report of a Case in a Korean Male. Kinnman, J.; Shin, H. I., and Wetteland, P. 446

Humidification of Air by Nasal Mucosa. A Method of Study. Hair, G. E.; Fischer, N. D., and Preslar, M. J. 375

Hydrops. Tack Operation for Endolymphatic. Cody, D. T. R. ..1738

I

Influence of Contralateral Noise Stimulation on Tone Decay and SISI Tests. Shimizu, H. 2155

Inhibition as an Important Part of Sensory Perception. von Békésy, G. 1366

Injury and Repair of Recurrent Laryngeal Nerves in Dogs. Boles, R., and Fritzell, B. 1405

Intranasal Surgery. Davison, F. W. 502

K

Klippel-Feil Syndrome with Unexplained Apparent Conductive Hearing Loss. A Case Report. Singh, S. P.; Rock, E. H., and Shulman, A. 113

L

Labyrinth, Caloric Stimulation of the: Experimental Observations. Harrington, J. W. 777

Labyrinth of Squirrel Monkeys and Cats, the Influence of Cryosurgery on. Bernstein, L., and Friedmann, I. 1745

Labyrinth, the Recorded Body-Sway Response to Galvanic Stimulation of the Labyrinth. A Preliminary Study. Coats, A. C., and Stoltz, M. S. 85

Laryngectomy, Partial, Aspiration After. Cineradiographic Studies. Litton, W. B., and Leonard, J. R. 887

Laryngectomy, Partial. A New Technique for Glottic Reconstruction After. Review of 11 Cases. Quinn, H. J., Jr. 1980

Laryngectomy, Supraglottic, and Mandibular Swing, Cancer of the Supraglottis and Tongue Treated by. Shumrick, D. A. ..1443

Laryngotracheobronchitis, Acute, Special Problems in. Ross, J. A. 1218

Laryngotracheoesophageal Cleft. Report of a Case and Review of the Literature. Imbrie, D. J., and Doyle, P. J. 1252

Larynx, Analysis of An Autogenous Vaccine in the Treatment of Juvenile Papillomatosis of the. Strome, M. 272

Larynx and Laryngopharynx Planned Pre-Operative Irradiation for Carcinoma of the, Treated by Total and Partial Laryngectomy. Biller, H. F.; Ogura, J. H.; Davis, W. H., and Powers, W. E. 1387

Larynx, Application of Mediastinoscopy to Carcinoma of the. A Preliminary Report. Tucker, J. A. 118

Larynx, Revascularization of the. Schechter, G. L., and Ogura, J. H. 942

Lateral Cervical Cysts and Fistulas. Simpson, R. A. 30

Lesion, the Otosclerotic, Experiments and Experiences with Sodium Fluoride for Inactivation of. Shambaugh, G. E., Jr., and Sundar, V. S. S. 1754

Lesions, Giant Cell, Involving the Nasal Accessory Sinuses. Friedman, S. A.; Eisenstein, K., and Wallner, L. J. 763

Lesions, Unusual Audiological and Vestibular Problems in the Diagonsis of Cerebellopontine Angle. Stroud, M. H., and Thalmann, R. 171

Ligament, Stylohyoid, Dysphagia and Ossified. Butler, E. C., and Tarsitano, J. J. 499

Loss, Sensori-Neural Hearing in Clinical and Histologic Otosclerosis. Gross, C. W. 104

Lymphoma, Malignant, of Head and Neck. McNelis, F. L., and Pai, V. T. 1076

Lymphosarcoma Invading the Temporal Bone Contents. A Histological Case Report. Sando, I.; Black, F. O.; Randolph, G., and Newell, R. C. 2140

M

Malignant Lymphoma of Head and Neck. McNelis, F. L., and Pai, V. T. 1076

Management of Mid-Facial Fractures. Bailey, B. J., and Barton, S. 694

Mandibular Fractures. Use of Acrylic Splints for Immobilization. Danforth, H. B. 288

Mastoid Surgery. Pneumocephalus Following. Alonzo, W. A., and Gill, W. A. 2150

Mastoiditis, Chronic Serous. Idiopathic Hemotympanum and Cholesterol Granuloma of the Mastoid. Sheehy, J. L.; Linthicum, F. H., Jr., and Greenfield, E. C. 1189

Mattress Suture Otoplasty Indications and Limitations. Tardy, M. E.; Tenta, L. T., and Pastorek, N. J. 961

Maxilla, Monostatic Dysplasia of the. Ward, P. H.; Alley, C., and Owen, R. 1295

Mechanics of Voice Production. *1.* Regulation of Vocal Intensity. Koyama, T.; Kawasaki, M., and Ogura, J. H. 337

Meckel's Cartilage Remnant? Zonis, R. D. 2012

Medial Vestibule Nucleus: Nuclear and Internuclear Activity. McCabe, B. F.; Funasaka, S., and Ryu, J. H. 806

Medico-Legal Aspects of Otolaryngologic Practice. Clayton, O. W., and Nash, H. S. 671

Monobloc Resection for Carcinoma of the Floor of the Mouth. Barton, R. T. 1307

Monkey, Squirrel, Role of Neck Proprioceptors for the Maintenance of Dynamic Bodily Equilibrium in the. Igarashi, M.; Alford, B. R.; Watanabe, T., and Maxian, P. M. 1713

Monostatic Dysplasia of the Maxilla. Ward, P. H.; Alley, C., and Owen, R. 1295

Mouth, Monobloc Resection for Carcinoma of the Floor of the. Barton, R. T. 1307

Mucocele, Frontal Sinus, Adenocarcinoma of the Prostate Presenting as a. Brownson, R. J. ..458

Myasthenia Gravis, Voice in. Maxwell, S., and Locke, J. L. 1902

Myogenic Responses, Average Evoked in Normal Man. Cody, D. T. R., and Bickford, R. G. ..400

N

Nasopharynx, Cancer of the. Review of the Literature, Report of 72 Cases. Hara, J. H. 1315

Nasopharynx, Cicatricial Stenosis of. A Comprehensive Review. Stevenson, E. W. 2035

Nerve Grafting, Facial. Pulec, J. L. 1562

Nevoid Basal Cell Carcinoma Syndrome. Walike, J. W., and Karas, R. P. 478

Nodules. Diagnostic Implications of Vocal Cord, in Children with Cleft Palate. McWilliams, B.; Bluestone, C., and Musgrave, R. 2072

Non-Healing Granuloma: a Diagnostic Problem. Bryce, D. P., and Crysdale, W. S. 794

Notice to Secretaries and Contributors. 1365

Nucleus, Medial Vestibular, Nuclear and Internuclear Activity. McCabe, B. F.; Funasaka, S., and Ryu, J. H. 806

O

Otitis Media, Tuberculous. Smoler, J.; Pinto, S. L.; Vivar, G., and Ramirez, J. L. 488

Otitis Media, What Do You Mean By? Pinto, S. L.; Smoler, J.; Vivar, G., and Ortega, I. 1891

Otolaryngology, Audio-Visual Aids in the Teaching of. Alberti, P. W. R. M. 1428

Otolaryngological Disorders in Craniometaphyseal Dysplasia. Kietzer, G., and Paparella, M. M. 921

Otologic Manifestations of Histocytosis X. Hudson, W. R., and Kenan, P. D. 678

Otoplasty, Combined Technique of. Feuerstein, S. S. 1118

Otoplasty, Mattress Suture, Indications and Limitations. Tardy, M. E.; Tenta, L. T., and Pastorek, N. J. 961

Otorrhea, the Treatment of 'Resistant' with Acetic Acid. Kothari, A. 494

Osteoma of the Maxillary Sinus. Karmody, C. S. 427

Osteomyelitis, Treatment of Frontal. Harner, S. G., and Newell, R. C. 1281

Outer and Inner Hair Cells in Streptomycin Poisoning. Zolnierkiewicz, T. G. 125

P

Palate. High Arched, Elastosis Perforans Serpiginosa and. Empson, C. L., and Jacobs, D. S. 368

Paralysis, Facial, the Timing of Surgery in Intratemporal. Jongkees, L. B. W. 1557

Partitioning of Pulmonary Resistance in the Dog. Ohnishi, T., and Ogura, J. H. 1847

Perception, Sensory, Inhibition as an Important Part of. von Békésy, G. 1366

Perforating Foreign Body of the Esophagus. Benda, T. J. 470

Perilymph Fistula. Pulec, J. L. ..868

Pharynx. Choristoma of the, in Newborn. Case Report. Black, F. O.; Kirsch, W. M., and Weaver, M. 2068

Pierre Robin Syndrome Pathophysiology of Obstructive Episodes. Fletcher, M. M.; Blum, S. L., and Blanchard, C. L. 547

Planned Pre-Operative Irradiation for Carcinoma of the Larynx and Laryngopharynx Treated by Total and Partial Laryngectomy. Biller, H. F.; Ogura, J. H.; Davis, W. H., and Powers, W. E. 1387

Pneumocephalus Following Mastoid Surgery. Alonzo, W. A., and Gill, A. J. 2150

Poisoning, Streptomycin, Outer and Inner Hair Cells in. Zolnierkiewicz, T. G. 125

Post-Intubation Subglottic Granulation Tissue. Review of the Problem and Evaluation of Radiotherapy. Smith, R. O.; Hemenway, W. G.; English, G. M.; Black, F. O., and Swan, H. ..1227

Post-Laryngectomy Tracheal Stomal Recurrences. Modlin, B., and Ogura, J. H. 239

Polyposis, Nasal, a Historical Survey of Treatments for. Vancil, M. E. 435

Practice, Otolaryngologic Medico-Legal Aspects of. Clayton, O. W., and Nash, H. S. 671

Pre-Operative Radiation Therapy as an Adjunctive Measure to Radical Neck Surgery. Hora, J. F. 1921

Present Concepts in Cancer and Immunologic Responses. Arena, S. 1400

Primates, Fate of Autogenous Grafts and Processed Heterogenous Bone in the Mastoid Cavity of. Hohmann, A. 1618

Principles of Frontal Reconstruction. Dickinson, J. T.; Cipcic, J. A., and Kamerer, D. B. 1019

Progression of Auditory Signs in Pontine Glioma. Shapiro, I. 201

Prosthesis Vs. Patient's Tissue in Ossicular Reconstruction. Harrison, W. H. 60

R

Reconstruction, Ossicular, Prosthesis Vs. Patient's Tissue in. Harrison, W. H. 60

Role of Neck Proprioceptors for the Maintenance of Dynamic Bodily Equilibrium in the Squirrel Monkey. Igarashi, M.; Alford, B. R.; Watanabe, T., and Maxian, P. M. 1713

Revascularization of the Larynx. Schechter, G. L., and Ogura, J. H. 942

Revascularized Skin Flaps. A New Concept in Transfer of Skin Flaps. Schechter, G. L.; Biller, H. F., and Ogura, J. H. 1647

S

Salivary Gland Scinti-Scanning with Technetium 99M Pertechnetate. Abramson, A. L.; Levy, L. M.; Goodman, M., and Attie, J. N. 1105

Scinti-Scanning, Salivary Gland, with Technetium 99M Pertechnetate. Abramson, A. L.; Levy, L. M.; Goodman, M., and Attie, J. N. 1105

Sensori-Neural Hearing Loss in Clinical and Histological Otosclerosis. Gross, C. W. 104

Sinus, Maxillary, Osteoma of the. Karmody, C. S. 427

Solitary Eosinophilic Granuloma of the Temporal Bone. Martin, T. H. 2165

Special Problems in Acute Laryngotracheobronchitis. Ross. J. A. 1218

Stenosis, Congenital Esophageal. Bluestone, C. D.; Kerry, R., and Sieber, W. K. 1095

Stomal Recurrences Post-Laryngectomy Tracheal. Modlin, B., and Ogura, J. H. 239

Sublingual Branchial Cleft Cyst. A Case Report. Robins, R. B. ..288

Superiorly Based Pharyngeal Flap. Skolnik, E. M.; Saberman, M. N.; Meyers, R. M., and Ross, J. C. 1396

Surgery, Acoustic Tumor. Experiences in. Maddox, E. H., III. ..652

Surgery, Intranasal. Davison, F. W. 502

Syndrome, Klippel-Feil, with Unexplained Apparent Conductive Hearing Loss. Singh, S. P.; Rock, E. H., and Shulman, A. ..113

Syndrome, the Parotid-Masseter Hypertrophy-Traumatic Occlusion. Blatt, I. M. 624

T

The Anatomical Basis of Transantral Ligation of the Maxillary Artery in Severe Epistaxis. Pearson, B. W.; MacKenzie, R. G., and Goodman, W. S. 969

The Classification of Respiratory Viruses and Their Clinical Manifestations. Snow, J. B., Jr. ..1485

The Dizzy Patient — Allergic Aspect. Powers, W. H., and House, W. F. 1330

The Effect of Chloramphenicol Upon the Oxygen Consumption of the Membranous Cochlea. Sato, Y. 295

The Effects of Local Anesthetics on the Cochlea of the Guinea Pig. Ward, P. H., and Honrubia, V. 1605

The Effect of Whole Body Vibration on the Cochlea. Jauhianen, T.; Kohonen, A.; Tarkkanen, J., and Kaimio, M. 1950

The Incidence of Carcinoma of the Larynx in Persons Under 20 Years of Age. Jones, D. G., and Gabriel, C. E. 251

The Incidence of Ear Diseases in the Navajo Indian. Jaffe, B. F. 2126

The Influence of Cryosurgery on the Labyrinth of Squirrel Monkeys and Cats. Bernstein, L., and Friedmann, I. 1745

The Medical Management of Fluctuant Hearing Loss. Shea, J. J., Jr., and Konishi, S. 714

The Parotid-Masseter Hypertrophy-Traumatic Occlusion Syndrome. Blatt, I. M. 624

The Recorded Body Sway Response to Galvanic Stimulation of the Labyrinth. A Preliminary Study. Coats, A. C., and Stoltz, M. S. 85

The Relationship of the Facial Canal to the Annular Sulcus. Litton, W. B.; Krause, C. J.; Anson, B. A., and Cohen, W. N. 1584

The Surgical Treatment of Vertigo. Pulec, J. L. 1783

The Synthesis of DNA and RNA in the Developing Inner Ear. Ruben, R. J. 1546

The Timing of Surgery in Intratemporal Facial Paralysis. Jongkees, L. B. W. 1557

The Tone Decay Test. A Simple and Reliable Audiological Test. Bhatia, P. L.; Sinha, A., and Abrol, B. M. 1879

The Ultrastructure of the External Sulcus in the Guinea Pig Cochlear Duct. Duvall, A. J., III. ..1

The Use of Panoramic Radiography in Detection of Posterior Wall Invasion by Maxillary Antrum Carcinoma. Greenbaum, E. I.; Rappaport, I., and Gunn, W. 256

Tack Operation for Endolymphatic Hydrops. Cody, D. T. R. 1738

Temporal Bone Histopathology in Sickle Cell Disease. Morgenstein, K. M., and Manace, E. D. 2172

Test, a Multiple Choice Discrimination (MCDT). Schultz, M. C., and Schubert, E. D. 382

Test, the Tone Decay; a Simple and Reliable Audiological Test. Bhatia, P. L.; Sinha, A., and Abrol, B. M. 1879

Tests, SISI, Influence of Contralateral Noise Stimulation on Tone Decay and. Shimizu, H. ..2155

Tissue, Granulation, Post-Intubation Subglottic. Review of the Problem and Evaluation of Radiotherapy. Smith, R. O.; Hemenway, W. G.; English, G. M.; Black, F. O., and Swan, H. 1227

Tissue Microsis, Focal. Hardaway, R. M., III. 1705

Tone, Temporary, Threshold Shift, Békésy Audiometry, Demonstration of Interrupted. Miller, J. W.; Cody, D. T. R., and Griffin, T. 2135
